

Argentina Tour: Bariloche - Short Circuit

Today we will visit the city, taking what is named by "short circuit" of the city. We will take the main Avenue "Bustillo", that goes along the Nahuel Huapi Lake, offering an incredible landscape formed by this immense portion of blue water. From this point you will be able to see "Bonita Beach" or Playa Bonita where the Huemul Island can be seen. The visit also includes the Cerro Campanario a very well know peak that can be reached with a lift chair. From there you will see the beautiful lakes: Nahuel Huapi, Perito Moreno, The lagoons El Trebol, San Pedro Peninsula and Liao Liao, Victoria Island, the Mounts Otto, Lopez, Goye and Cathedral, and of course the whole city of Bariloche.

El Glaciar Perito Moreno se encuentra dentro del Parque Nacional Los Glaciares y fue declarado Patrimonio de la Humanidad por la UNESCO. En esta visita se recorren las pasarelas para apreciar las paredes del Glaciar Perito Moreno y se incluye una navegación de aproximadamente 1 hora por el Canal de los Témpanos para acercarse al Glaciar y observar sus desprendimientos.

Duración aproximada: 8 horas
